

 **SETUP:**

Flip all cards face down and spread them in a loose pile (showing the ostriches' heads in the sand) in the center of the play area.

Everyone pick a spot evenly spaced around the edge of the table about shoulder-width apart. The area in front of you is your "Ostrich Sanctuary" where you will place and collect the 6 different ostrich cards you need to successfully **POP** and **SNATCH** to win the game.

 **PLAY:**

Take one arm, bend it at the elbow and the wrist with your fingers and thumb pointing away. This is your **Ostrich Arm**. Quack...Honk?

At the count of 1,2,3, GO! Everyone uses their Ostrich Arm to PICK and SLIDE any ONE face-down or face-up card.

(If there are any showing they need to complete their collection) to the edge of the table near them.

Stick the card out over the **EDGE** of the table and...

POP!

Pop the card into the air using the back of your fingers (your Ostrich Beak!) and then...

SNATCH!

Snatch the card out of the air using the **SAME** arm! If you **MISS** and the card lands on the table, in your lap, on the the floor, etc. you **MUST** pick it up, slide it to the edge and **POP/SNATCH** it again until you successfully catch it (**EVEN** if you saw it was a color/hairstyle you already have!)

Collect:

When you successfully **POP** and **SNATCH** a card, and it's an ostrich you still need, put it face-up on the table in front of you in your Ostrich Sanctuary.

If it's an ostrich card with a color/hairstyle you **ALREADY HAVE** in front of you, **TOSS** it **FACE-UP** onto the center pile. Quickly **PICK** and **SLIDE** a new card and continue!

If it's one of the **CLIPPER** cards, reach over into an opponents Ostrich Sanctuary and **CLIP** any one of their already collected Ostriches by **SLAPPING** the **CLIPPER** card on top! (You **MUST** physically reach over and do it. No tossing those clippers!) That player must now collect that color/hairstyle of Ostrich again.

Winning the game:

Be the first to collect all 6 different colors and hairstyles and place them in front of you in your Ostrich Sanctuary.

Yell "**HEADS UP!**" and you win!
